

GMC
WE ARE PROFESSIONAL GRADE

2018
ACADIA

SUV VERSATILITY. OMG DESIRABILITY.

You can have it all in the new 2018 Acadia. Inside, a premium, quiet, versatile cabin is ready for anything. Outside, the sculpted design looks good everywhere. Acadia is a reminder that the same passion and purpose that drive you also drive us to set our own standards and prove that Professional Grade isn't merely a label, it's a way of life. Acadia is a shining example that, like you, we're all pros. We take a strong stance for what we believe in—and pursue it like a pro.

DESIGN

**CAPTIVATE
LIKE A PRO**

A BLANK SLATE. A TRADITION OF BOLDNESS. AND A PERSONALITY
THAT CUTS THROUGH THE BLAND. OUT OF THIS ARRIVES ACADIA.

THE PEAK. THE PINNACLE. THE NAME SAYS IT ALL.

Acadia Denali is the highest elevation of Acadia. Up front, its purposeful styling begins with a unique dimensional chrome grille and HID headlamps with LED signature lighting. And it continues with a hands-free power liftgate, 20" bright aluminum wheels with Midnight Silver accents, body-color lower cladding, chrome-accented door handles and an available dual SkyScape sunroof.

shown with available equipment.

REFINEMENT: THE NEXT LEVEL

Acadia Denali accommodates family and friends in refined, quiet and comfortable surroundings. It offers authentic materials such as wood accents, warm-tone burnish aluminum trim and Denali-specific leather appointments with a smooth, premium feel. Refinements continue with Denali-embroidered head restraints, heated and ventilated front seats, heated second-row outboard seats accentuated with French seam stitching and an automatic heated steering wheel. Denali also offers an easy second-row pass-through to the third row.

DESIGNED AROUND YOU

Slide into Acadia and discover it's made for you. We set out to create unsurpassed levels of fit, finish and overall craftsmanship. It's the key to an outstanding level of refinement throughout Acadia.

PREMIUM SEATING To enhance ride enjoyment, the seats are designed to provide exceptional comfort. Choose available heated or heated and ventilated (on Denali) front seats and available heated second-row outboard seats.

AUTHENTIC MATERIALS The satin-finish aluminum trim is inspired by today's refined products and furnishings. Denali presents real wood accents and embroidered front head restraints and its own warm-tone burnish aluminum for a distinctive style.

INTEGRATED STORAGE Ingeniously positioned storage bins don't interrupt cabin flow. In the second row, a rear-facing console drawer (not available on the five-passenger All Terrain) is the ideal place to secure small electronics.

INSTRUMENT PANEL DESIGN To provide the best ergonomics, information and controls are presented in an easy, at-a-glance style, while a soft-touch surface offers a premium feel.

RELAXED CABIN LIGHTING Blue and white lighting on the instrument panel and touch-screen display provide a warm welcome. This combination creates a calming atmosphere that forms the centerpiece of the interior design.

PRECISE FIT AND FINISH Throughout the cabin, elements come together precisely—from the way the aluminum integrates with trim panels to how the center console and the doors flow smoothly into the instrument panel.

ENGINEERING

PERFORM LIKE A PRO

THE GREATEST INNOVATIONS SHARE THE UNCOMMON TRAIT OF MAKING OUR LIVES EASIER,
MORE EXCITING AND BETTER OVERALL. THEN AND ONLY THEN HAVE WE ACHIEVED PROFESSIONAL GRADE.

TRAVEL AT THE SPEED OF LIFE

For all its premium refinements, versatility and life-enhancing technologies, Acadia is still about your ride. That's why we tuned Acadia to seamlessly integrate a multitude of available advanced technologies. Choose the effortless acceleration of the available 3.6L V-6 with Active Fuel Management or the impressive efficiency of the 2.5L I-4 with Stop/Start technology. Acadia also offers powerful braking, an electronically controlled Drive Mode Selector and an available, highly capable off-road All-Wheel-Drive system. They all produce a memorable driving experience. For a closer look, simply turn the page.

ACADIA DENALI IN IRIDIUM METALLIC
shown with available equipment.

THE ROAD: GAIN CONTROLLING INTEREST

We can't repave the roads or change the weather, but now Acadia can help make it seem that way. To do that, Acadia offers several ride and handling technologies, as well as powerfully efficient engine options.

RACK-MOUNTED ELECTRONIC POWER STEERING
The electric variable-assist power rack-and-pinion steering system on Acadia provides precise handling.

ADVANCED TWIN-CLUTCH ALL-WHEEL-DRIVE SYSTEM (All Terrain) This innovation heightens off-road capability by applying torque to the wheel that needs it most.

CONTINUOUSLY VARIABLE REAL-TIME DAMPING To produce a smoother, controlled ride, the available system on SLT-2 and Denali AWD models automatically minimizes vibrations using sophisticated sensors to tailor the suspension personality to fit the moment.

TRACTION SELECT DRIVE MODE SELECTOR For the ultimate in versatility, this available feature allows you to select how Acadia responds and adapts to various driving conditions. You select the desired driving mode in real time to adapt to terrain and weather—Sport, Snow, Tow/Haul (if equipped) and, on AWD models, going from 2WD to AWD and vice versa on the fly.

CORROSION-RESISTANT DURALIFE BRAKE ROTORS
GMC engineers used patented Ferritic Nitro-Carburizing (FNC) technology that can help double rotor life.

310-HP
3.6L 6-Cylinder

This available engine incorporates continuously Variable Valve Timing and Active Fuel Management, so it's smart enough to efficiently switch to four cylinders when less power is needed, such as at cruising speeds.

193-HP
2.5L 4-Cylinder

The direct-injected engine utilizes Stop/Start technology. It shuts down when Acadia comes to a stop for remarkable efficiency and starts up again seamlessly. Also included are active grille shutters for maximum aerodynamic efficiency.

A PASSION FOR TRAILERING

To help you pursue your weekend passions, we engineered Acadia with a trailering capability of up to 4,000 lbs¹ with the available 3.6L V-6.

HILL START ASSIST Sensors automatically detect when Acadia is on a 5 percent grade or more. The system holds the brakes momentarily until the accelerator is pressed, preventing rollback.

TOW/HAUL MODE To give you even more power to accelerate when trailering or hauling heavy loads, the available Tow/Haul mode feature raises transmission upshift points.

REAR VISION CAMERA AND ACTIVE TOW SYSTEM The center screen serves as your monitor for the camera. Its dynamic grid lines help when hitching a trailer. The available Active Tow System adds a center grid line to help when backing up or hitching a trailer and real-time viewing of your trailer while you're moving.

V-6 TRAILERING PACKAGE This includes a factory-installed hitch, seven-pin wiring harness, Class III trailer hitch, heavy-duty cooling system and the Active Tow System in the Rear Vision Camera System. This available package boosts Acadia's trailer weight rating to 4,000 lbs.¹

TRAILER SWAY CONTROL This helps keep both you and your trailer heading in the same direction, automatically. It detects a swaying trailer and applies Acadia's brakes to help bring it back in line.

¹Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

FUNCTIONALITY

EFFORTLESS LIKE A PRO

AN OBJECT'S TRUE BEAUTY GOES BEYOND ITS FORM. THE MARK OF WELL-CONCEIVED AND -EXECUTED FUNCTIONALITY IS WHEN IT MAKES EVERYDAY TASKS A PLEASURE.

TIME WELL SPENT

You spend a lot of time behind the steering wheel. Acadia is designed to ensure it's the most comfortable, sophisticated, quiet and accommodating time of your day. Acadia SLT begins with seats that support your body for exceptional ride enjoyment no matter how far you travel. Acadia also offers available heated front and second-row outboard seats. And getting to the third row is simple with just one hand thanks to the easy-to-use second-row Smart Slide seats.

On the outside, Acadia SLT's style fits in everywhere. It introduces itself with a signature dimensional grille and nearly seamless wraparound rear-window glass. To help Acadia SLT maintain its style over time, lower bodyside cladding adds a rugged, durable finish.

ACADIA SLT-2 IN QUICKSILVER METALLIC
shown with available equipment.

ACADIA SLT-2 INTERIOR IN COCOA/LIGHT ASH GRAY shown with available equipment.

ADAPTS AS EASILY AS YOU DO

Because your life is all about being productive during the day and enjoying a night out with family and friends, Acadia is here to accommodate. Perhaps the best enablers of this versatility are the second-row Smart Slide seats that require just one hand to easily access the third row.

SMART SLIDE SEATS The second-row passenger-side Smart Slide seat tips, pitches and slides for easy third-row access—even when an empty forward-facing child seat is attached using the LATCH system. The tip/slide option on the driver's side of the seat folds and slides the second row, offering ample room for entry and exit. And it can all be done using just one hand.

REAR-SEAT REMINDER¹ This feature is activated when a second-row door is opened or closed during or just before a trip. When Acadia is turned off, under certain conditions, an audible chime and a message in the Driver Information Center remind you to check the second row.

NUMEROUS SEATING/CARGO ARRANGEMENTS Acadia's remarkable versatility ensures comfortable accommodations for all passengers while still providing expansive cargo capacity. A flat 50/50 split-folding third-row bench seat makes cargo loading easier while preventing items from sliding around. Release levers allow you to easily fold the second-row seat from the rear of Acadia.

POWER LIFTGATE Select Acadia models benefit from an available key fob-operated programmable and height-adjustable power liftgate. Acadia Denali features the convenience of a foot-activated hands-free power liftgate.

¹Does not detect people or items. Always check rear seat before exiting. See Owner's Manual for details.

REFINED, NOT RESTRAINED

Some of the best areas of our country have no paved roads. But that won't stop you thanks to the Acadia All Terrain with an advanced twin-clutch AWD system. In true GMC dedication, style didn't lose out to rugged capability. In fact, refinement is quickly apparent in All Terrain's exclusive stealthy, sporty design. Its unique tone-on-tone look utilizes black chrome and dark accents to create a distinctive appearance, as do the All Terrain grille, badge, skid plates, roof rails, aluminum wheels and mirror caps.

GET AWAY WITHOUT ROUGHING IT

Creating the Acadia All Terrain meant balancing its obvious rugged capabilities with a premium, ultra-supportive environment. We began by designing a cabin and seating environment inspired by outdoor gear. Then, we added seats that are comfortable even when the going gets rough. Choose five- or available six- or seven-passenger seating. All Terrain five-passenger models also add two covered under-floor bins to store your gear in a safe, secure, easily accessible location.

Available fall 2017.

ACADIA ALL TERRAIN 6-PASSENGER INTERIOR IN JET BLACK/KALAHARI shown with available equipment.

OUT AND ABOUT. ALWAYS IN TOUCH.

When it comes to keeping us connected, informed and entertained, we believe the smarter the technology, the more mobile, intuitive and easy to use it has to be. The 2018 Acadia is all about that.

PHONE INTEGRATION Acadia offers Apple CarPlay™ and Android Auto™ compatibility.² With Apple CarPlay™, the apps you love on your iPhone® come alive through Siri® or the built-in display, while Android Auto easily integrates the power and functionality of your Android™ phone into Acadia. Just plug into the USB³ outlet and go.

 **4G WI-FI® HOTSPOT** The 4G Wi-Fi service means a fast internet connection for web-enabled devices when Acadia is running. It's reliable, powerful and easy to use, and can connect up to seven devices up to 50 feet around Acadia.

CUSTOMIZED DRIVER DISPLAY Denali's reconfigurable gauge cluster allows you to personalize the 8" diagonal color Driver Information Center to control what you see and how you see it.

VOICE AND TOUCH-SCREEN NAVIGATION⁴ In response to your voice or touch, Acadia's available Navigation System displays 2-D or 3-D map graphics. Also included, NavTraffic⁵ (with 3 trial months of SiriusXM) incorporates real-time traffic and road conditions.

INFOTAINMENT SYSTEM® WITH 7" OR 8" SCREEN The GMC Infotainment System features full-color, 7" or available 8" diagonal screens for easy viewing and voice-activated control of your smartphone. You can receive vocalized text messages, benefit from Siri® Eyes Free⁷ assistance, connect libraries from multiple devices and store phone contacts.

SURROUND VISION On Denali models, the available system provides a bird's-eye view of the area around Acadia. It's helpful for reducing blind spots and in low-speed situations such as parking. Also available is the Active Tow System to help when hitching a trailer.

BOSE® PREMIUM AUDIO SYSTEM The optional Bose eight-speaker system with subwoofer is engineered to give you the realism and presence of a live performance.

¹Requires a compatible mobile device, active service and data plan. 4G service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plan provided by AT&T.² Vehicle user interfaces are products of Apple® and Google™ and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. ³Not compatible with all devices. ⁴Map coverage available in the United States, Puerto Rico and Canada. ⁵If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travelink. Sirius, XM, SiriusXM and all related marks and logos are trademarks of SiriusXM Radio, Inc. ⁶Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity. Data plan rates apply. ⁷Requires GMC Infotainment System and compatible iPhone® running iOS 6 or newer.

SURROUNDED BY CONFIDENCE

Since we only have eyes in the front of our heads, Acadia Denali offers GMC's expansive Surround Vision system. Gain a bird's-eye view of the area surrounding your Acadia. This is just one example of GMC's comprehensive approach to intuitive safety technologies to help you and your passengers stay safe from potential mishaps.

SURROUND VISION On Denali models, available Surround Vision replaces the Rear Vision Camera System to offer a view around Acadia. It is helpful for reducing blind spots and viewing pavement markings, other vehicles, curbs and general surroundings.

SAFETY ALERT DRIVER SEAT Relaying inputs from available features such as Forward Collision Alert and Lane Keep Assist, this available seat helps alert the driver of potential traffic threats using directional vibration pulses within the seat cushion.

REAR CROSS TRAFFIC ALERT This available feature helps alert you to oncoming traffic, especially in parking lot situations. Using radar technology, it looks about 65 feet to the left and right behind Acadia and uses the Rear Vision Camera System screen and Safety Alert Driver Seat (if equipped) to issue warnings.

ADAPTIVE CRUISE CONTROL Available on Denali models, Adaptive Cruise Control uses a radar-based system and Forward Automatic Braking to allow the vehicle to automatically follow a detected vehicle at the driver-selected following gap while the driver steers.

FORWARD COLLISION ALERT This available system helps warn you when you're rapidly approaching another detected vehicle and it appears a front-end collision is imminent.

FRONT PEDESTRIAN BRAKING This available system issues visual and seat-vibration alerts when Acadia is getting too close to a detected pedestrian and will take measures to reduce Acadia's speed to help avoid or reduce the impact.

LANE KEEP ASSIST WITH LANE DEPARTURE WARNING This available feature helps the driver keep Acadia in its lane to avoid unintentional lane changes. It assists by gently turning the steering wheel if Acadia approaches a detected lane marking without the turn signal being activated. Lane Departure Warning will alert you when you cross over the lane markings.

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT Working with Side Blind Zone Alert, available Lane Change Alert uses long-range radar to help detect and warn you of fast-approaching traffic in the next lane. Available Side Blind Zone Alert uses sensors to monitor blind spots, alerting you via visual warnings in the outside mirrors.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

ADD YOUR OWN STYLE

GMC Accessories are designed so you can personalize your Acadia to fit your style as well as your needs. They're also engineered and tested to meet Professional Grade standards.

ASSIST STEPS Get into and out of your Acadia with ease, and improve your reach to roof-mounted cargo, with these stylish integrated assist steps. They feature an integrated step pad for sure-footed traction.

REAR-SEAT ENTERTAINMENT SYSTEM The system has dual LCD monitors and DVD players mounted on the rear of the front-seat head restraints. Wireless headphones and a remote control allow rear passengers to enjoy the audio. Includes USB and RCA inputs.¹

ROOF RACK CROSS RAIL PACKAGE Make it easy to attach a cargo carrier with these roof rack cross rails. They add functionality and style and can accommodate up to 220 lbs.²

INTEGRATED CARGO LINER The liner covers the cargo-area floor as well as the back of the third-row seats, providing enhanced protection for Acadia's interior. It articulates with the third-row seatbacks and doesn't need to be removed when carrying passengers in the third row. Not available on All Terrain.

PREMIUM ALL-WEATHER FLOOR LINERS These liners expand their all-weather coverage with raised edges that follow and protect the floor and trim contours. They offer a textured anti-slip pattern that helps trap debris and water for maximum carpet coverage. Second-row liners have an interlocking feature that enables easy removal for cleaning. Available in Jet Black, Dark Ash Gray and Cocoa.

CARGO SECURITY SHADE Keep the cargo area of the Acadia hidden with this retractable cargo security shade. Available in Jet Black, Light Ash Gray and Shale.

ALL TERRAIN CARGO STABILIZER It mounts to the cargo-area floor rails in your All Terrain. The stabilizer helps prevent shifting of cargo while Acadia is moving and helps keep larger items contained.

ALL TERRAIN TIE-DOWN RINGS These sliding rings (set of four) mount to the floor rails in the cargo area of your All Terrain. They can be positioned anywhere along the length of the rails, providing flexibility to secure cargo of varying sizes.

¹Not compatible with all devices. ²Cargo and load capacity limited by weight and distribution.

¹Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ²Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. ³Not compatible with all devices. ⁴Go to my.gmc.com/learn to find out which phones are compatible with the vehicle. ⁵Vehicle user interfaces are products of Apple® and Google™ and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. ⁶If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travellink. Sirius, XM, SiriusXM and all related marks and logos are trademarks of SiriusXM Radio, Inc. ⁷Map coverage available in the United States, Puerto Rico and Canada. ⁸Requires a compatible mobile device, active service and data plan. 4G service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plan provided by AT&T.™ ⁹A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information. ¹⁰Cargo and load capacity limited by weight and distribution.

PEACE OF MIND

Pro Grade Protection is standard on every 2018 Acadia. From maintenance to protecting your entire vehicle, you can drive with confidence.

INCLUDES 2 MAINTENANCE VISITS DURING THE FIRST 2 YEARS/24,000 MILES¹

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY²

5-YEAR/60,000-MILE POWERTRAIN LIMITED WARRANTY²

5-YEAR/60,000-MILE ROADSIDE ASSISTANCE/COURTESY TRANSPORTATION²

¹Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. ²Whichever comes first. See dealer for limited-warranty details.

WE'RE AS CLOSE AS THE BLUE BUTTON

Connect to a specially trained Emergency Medical Dispatch-certified Advisor¹ just by pushing the blue OnStar button in your Acadia.

EMERGENCY: HELP WHEN IT MATTERS MOST. OnStar protects you and your passengers in the event of an emergency with the right help, right when you need it.

AUTOMATIC CRASH RESPONSE.² Using built-in sensors, Automatic Crash Response can connect you to an OnStar Advisor immediately after a crash to help get you the care you need even if you can't ask for it. Using Injury Severity Prediction technology, professionally trained Advisors can notify first responders about the likelihood of serious injury so they can provide the right help, right away. You can feel confident knowing you have a team, 24/7, to get you the assistance you need.

ROADSIDE ASSISTANCE.³ If you've got a flat tire or are low on gas, just push the blue OnStar button, and an Advisor will get things moving with Roadside Assistance. We can use GPS technology to pinpoint where you are and send a tow truck or whatever help you need. No matter how far you are from home, you're empowered with solutions that keep you moving.

CRISIS ASSIST. During severe weather or a crisis, OnStar can provide critical guidance during your time of need. With Crisis Assist,² our Advisors provide a fast, knowledgeable resource for emergency assistance, special routing assistance and other services. We're a 24-hour connection and central point of contact for help when you need it most.

SECURITY: PROTECTION YOU CAN COUNT ON. Breathe easy knowing a comprehensive suite of Stolen Vehicle Assistance services is available to help protect your vehicle.

STOLEN VEHICLE ASSISTANCE.⁴ If your vehicle is stolen, you can be assured OnStar Advisors are ready to take action. Once you report your vehicle stolen, they can pinpoint its location, work with the police to quickly recover it, slow the vehicle if the conditions are safe to do so and even prevent it from restarting. And with Theft Alarm Notification,⁵ if your vehicle alarm sounds, we'll let you know via text, email and/or a phone call. One simple call puts a team into action to help recover your vehicle quickly and safely.

¹Visit onstar.com for coverage map, details and system limitations. Some services require paid OnStar service plan. OnStar Advisors are certified by the International Academies of Emergency Dispatch. ²Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ³Roadside service provided by Allstate Roadside Services. ⁴Services are subject to user terms and limitations, and vary by vehicle model. Requires subscription to Security Plan, Guidance Plan or Safety & Security Plan. These services are intended to assist with vehicle recovery, and do not prevent theft or protect against damage or loss. Visit onstar.com for more details. ⁵Services are subject to user terms and other limitations and vary by vehicle model. Requires armed GM factory-installed theft-deterrent system; subscription to Security Plan, Guidance Plan or Safety & Security Plan; and selection of notification communication preference(s). Additional messaging and data rates may apply. Visit onstar.com for more details.

CONVERSATION STARTER

At GMC, we don't want you to merely follow us on social media. We'd like to start a dialogue so we can learn more about each other. Join the conversation and share your passion for all things Professional Grade.

GMC.COM

IMPORTANT WORDS

PRO GRADE PROTECTION

For 2018, Acadia comes with the Pro Grade Protection Plan, which includes two maintenance visits,¹ 3-year/36,000-mile Bumper-to-Bumper Limited Warranty² and 5-year/60,000-mile Powertrain Limited Warranty,² Roadside Assistance and Courtesy Transportation.

Starting with the owner orientation—and full tank of gas—you receive when you take possession of your Acadia, to the 24-Hour Roadside Assistance, Courtesy Transportation and Travel Benefits, you receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-8782.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 years or 60,000 miles (whichever comes first).

COURTESY TRANSPORTATION Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

GMC OWNER CENTER A complimentary, one-stop resource to enhance your GMC ownership experience. It's easy to sign up. Just go to gm.com/gmownercenter/gmc.

ONSTAR AND GMC CONNECTED SERVICES

 Connected vehicle services require a paid connected vehicle services plan or trial, connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

SIRIUSXM SATELLITE RADIO

 SiriusXM Satellite Radio³ is standard on select Acadia models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE

 **GMC CERTIFIED SERVICE** To help your Acadia live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Acadia, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Acadia on our website: gmc.com/acadia. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.

BUYPOWER CARD™

Now it's even easier to get into the GMC of your dreams. Every purchase gives you Earnings redeemable toward part or even all of a new GMC, Chevrolet, Buick or Cadillac. Every year, enjoy 5 percent Earnings on your first \$5,000 in purchases and 2 percent unlimited Earnings after that. No expiration on Earnings and no limit on how much you can earn or redeem. Learn more at buypowercard.com/catalog. YOUR CARD IS THE KEY.™

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and GM Mid-SUV segment.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

NEW-VEHICLE LIMITED WARRANTY All GMC Acadia models come with a fully transferable, no-deductible 5-year/60,000-mile (whichever comes first) Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 36,000 miles (whichever comes first). Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years or 100,000 miles (whichever comes first). Acadia also comes with two maintenance visits within the first 2 years/24,000 miles (whichever comes first).¹ See dealer for details.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

¹Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. ²Whichever comes first. See dealer for limited-warranty details. ³If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.
