With pros like you, dreams are a starting line. Your eyes open, your feet hit the floor and those dreams become one step closer to reality. The end is always firmly in sight. You’re all about improving on yesterday’s feats, doing more and doing them better. We can relate. Because achieving is what drives us, too.

Meet the SUV for you—the 2019 GMC Acadia.
THE ULTIMATE LUXURY IS TIME. SPEND IT WISELY

- Denali Exclusive Satin Chrome-Finished Grille
- Hid Headlamps with GMC Signature C-Shaped Design
- Denali Exclusive 20" Bright Aluminum Wheels with Midnight Silver Accents
Acadia Denali greets you with genuine materials, including wood accents, warm-tone burnished aluminum trim and Denali-grade leather appointments with a premium feel. Refinements continue with an automatic heated steering wheel that automatically turns on in remote start when it’s cold outside, as do the heated front seats. Then add Denali-stitched front-seat head restraints, heated and ventilated front seats, and heated second-row bucket seats accented with French seam stitching.

UTILITY DOESN’T HAVE TO FEEL UTILITARIAN
Because your life is constantly on the move, Acadia accommodates up to seven in style, comfort and space. Acadia enables versatility with second-row Smart Slide seats that allow easy third-row access with just one hand. With the second and third rows folded flat, Acadia gives you 79 cu. ft. of cargo space.*

*Cargo and load capacity limited by weight and distribution.
When it comes to keeping you connected, informed and entertained, we believe the smarter the technology, the more mobile, intuitive and easy to use it should be. Acadia Denali does it with the 8” diagonal GMC Infotainment System with Navigation. Acadia also does it with a Rear Seat Reminder that is activated when a second-row door is opened or closed during or just before a trip. When Acadia is turned off, under certain conditions, an audible chime and a message in the Driver Information Center will remind you to check the rear seats.
WANDERLUST ISN’T FOUND ON A MAP

Some of the best parts of this country aren’t paved. But that won’t stop you when you’re behind the wheel of Acadia All Terrain with its advanced twin-clutch AWD system. In true GMC style, design combines with rugged capability and a premium, ultra-supportive cabin. Inspired by outdoor gear, the seats are both comfortable and durable when the going gets rough. To accommodate your travel companions, choose five- or available six- or seven-passenger seating.
In Acadia, everything works together to create the power, handling and trailering capability to comfortably take you places without leaving your passions behind. Acadia offers several ride and handling technologies—a Traction Select system, Continuously Variable Real-Time Damping and an advanced twin-clutch All-Wheel-Drive system—as well as powerful, efficient engine options. The direct-injected 2.5L, 193-hp 4-cylinder engine with Stop/Start technology is remarkably efficient. For more power, the available 3.6L, 310-hp V-6 engine produces the power to trailer up to 4,000 lbs.¹

¹Requires available 3.6L V-6 engine and Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. See your retailer for additional details.
DRIVE KNOWING THAT WE GO BEYOND WORDS TO HELP YOU NAVIGATE YOUR WORLD SAFELY

Offering a comprehensive collection of driver-detect and driver-assist technologies, Acadia is engineered with the belief that the best way to handle a collision is to avoid it.

Safety or driver-assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.

Safety or driver-assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. IN TOUCH OUT AND ABOUT

ACADIA OFFERS:

- AVAILABLE 4G LTE Wi-Fi® HOTSPOT®
- APPLE CARPLAY™ COMPATIBILITY®
- ANDROID AUTO™ COMPATIBILITY®

INTRODUCING GMC CONNECTED SERVICES

Seamlessly link your digital life to your Acadia with GMC Connected Services with its range of plans.

Available Connected Access® gives you standard connectivity to enable services that analyze your driving data and provide tips on how to improve your driving habits.

Or add the available Remote Access Plan® to start and stop or lock and unlock your Acadia via the available myGMC mobile app®.

Cellular service plans and Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different.

Visit onstar.com to review all the details and limitations.

Discover how to stay connected at gmc.com.
ACADIA MODELS

Choose the Acadia that’s right for you at gmc.com/build-and-price.

SL/SL-1
Acadia SL/SL-1 models come with the essentials, including seven-passenger seating, Smart Slide® folding second-row seats, Bluetooth® connectivity and remote keyless entry.

SLE-2
Includes all SL/SL-1 standard content and adds features such as an eight-way power driver seat, heated front seats, a remote vehicle starter system and a power-programmable liftgate.

ALL TERRAIN
Includes all SLE-2 standard content and balances its rugged capabilities with a premium, ultra-supportive cabin with features such as an advanced twin-clutch AWD system, All Terrain-specific aluminum wheels and a base-on-black look with black chrome and dark accents. Also available on SLT-1 (shown above) and adds perforated leather appointments and 20” aluminum wheels.

SLT-1
Includes all SL-2 standard content with added features such as a 310-horsepower 3.6L VVT DI engine standard on AWD and available on FWD, perforated leather appointments, an 8” diagonal GMC Infotainment System® and a Bose® premium sound system.

SLT-2
Includes all SLT-1 standard content and adds features such as a memory driver seat and exterior mirrors, heated second-row bucket seats and Low Speed Forward Automatic Braking.

BLACK EDITION
Available on SLT-1 and adds features that will set you apart, such as 20” machined aluminum wheels with black accents, a black grille insert and surround, black headlamp and taillamp details and black mirror caps, roof rails and exterior accents.

DENALI
Denali is the ultimate expression of Professional Grade. Includes all SLT-2 standard content and is embellished with premium features such as bright Denali-specific exterior accents, unique Denali interior appointments, heated and ventilated front seats, an automatic heated steering wheel and a hands-free power-programmable liftgate.

1 To see if your phone is compatible with the vehicle go to my.gmc.com/learn. 
2 Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. 
3 Read the vehicle Owner’s Manual for important feature limitations and information.
4 Available late summer 2018. Preproduction model shown. Actual production model may vary. Photo shown with available dealer-installed accessory.
USE THE BEST TOOLS TO BUILD YOUR ACADIA

GMC’s smart, comprehensive online tools elevate your shopping experience. Visit gmc.com to find tools to help you select the model that’s right for you. You can also find a GMC dealer, schedule a test drive and sign up for email updates about all things GMC.

DRIVE THE CONVERSATION

NEW-VEHICLE LIMITED WARRANTY

GMC will warrant each 2019 Acadia from bumper to bumper for 3 years/36,000 miles (whichever comes first), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are covered by this Limited Warranty.

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY

The term of this Limited Warranty begins on the date of delivery of your vehicle. To have work done under the warranty, see your GMC dealer.

24/7 ROADSIDE ASSISTANCE

24/7 Roadside Assistance is available to you for the duration of your Powertrain Limited Warranty. Please see your GMC dealer for details.

CERTIFIED SERVICE

GMC Certified Service—found exclusively at your GMC dealer—will take care of your vehicle’s scheduled maintenance and repairs. GM-trained technicians have the expertise to help keep your vehicle running its best.

NEW-VEHICLE POWERTRAIN LIMITED WARRANTY

GMC will warrant each 2019 Acadia for 5 years/100,000 miles from the original in-service date of the vehicle, for warrantable repairs that are covered by this Limited Warranty. Please see your GMC dealer for details.

ADDITIONAL NOTES

ONSTAR AND GMC CONNECTED SERVICES

To help your Acadia live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Acadia, GM-trained technicians have the expertise to help care for it.

FLEET ORDERS

Some standard content may be deleted on fleet orders. See dealer for details.

IMPORTANT WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, components, systems or assemblies installed by GM. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered.

GMC.COM

See more of Acadia on our website: gmc.com/acadia. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle.

2019 GMC Acadia

ONSTAR acts as a link to existing emergency service providers. Effective May 1, 2018, available ONSTAR Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Visit onstar.com for complete details. See dealer for availability and system limitations.
