

# CANYON MODELS

## 2022 FEATURES, SPECS AND OPTIONS

We have tried to make this guide comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this guide and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of publication, please check with your GMC dealer for complete details.

<sup>1</sup>Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. <sup>2</sup>The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see [my.gmc.com/learn](http://my.gmc.com/learn) or consult your carrier. <sup>3</sup>Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>4</sup>Go to [my.gmc.com/learnabout/bluetooth](http://my.gmc.com/learnabout/bluetooth) to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version. <sup>5</sup>Vehicle user interface is a product of Apple<sup>®</sup> and its terms and privacy statements apply. Requires compatible iPhone<sup>®</sup> and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. <sup>6</sup>Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at [g.co/androidauto/requirements](http://g.co/androidauto/requirements). Android, Google Play and Android Auto are trademarks of Google LLC.

<sup>1</sup>Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. <sup>2</sup>Feature will not function on certain models without dealer retrofit. See dealer for details. <sup>3</sup>Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. <sup>4</sup>Requires available Trailering Package. <sup>5</sup>7,700-lb rating requires a properly equipped 2WD Canyon Elevation Crew Cab short bed model with available 2.8L Duramax Turbo Diesel engine and Trailering Package. 7,550-lb rating requires a properly equipped 4WD Canyon Crew Cab Elevation, AT4 or Denali model with available 2.8L Duramax Turbo Diesel engine and Trailering Package. <sup>6</sup>Requires properly equipped vehicle. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's doorjamb.

## SELECT PACKAGES
