**IMPORTANT WORDS
AND LEGAL DISCLOSURES**

ZERO EMISSIONS ZERO LIMITS ZERO EQUALS

Going beyond the expected. Dominating the uncharted. Shattering the impossible.

The revolutionary supertrucks are engineered to tackle nearly any terrain, empowering you to pursue adventures unimaginable—until now.

Experience the world's first all-electric, zero emissions, zero limits GMC HUMMER EV Pickup and arriving in 2023, the Edition 1 SUV.

REVOLUTIONARY POWERS

Everything about the HUMMER EV Pickup and SUV is revolutionary, including available features such as CrabWalk,^{TM1} **Watts to Freedom**,² **Extract Mode**¹ and many more.

OFF-ROAD DOMINANCE

THE BEST PATHS ARE THE ONES YOU MAKE YOURSELF

The GMC HUMMER EV Pickup and SUV are engineered to dominate unforgiving off-road obstacles and turn “**you can’t do that**” into “**how did you do that?**”

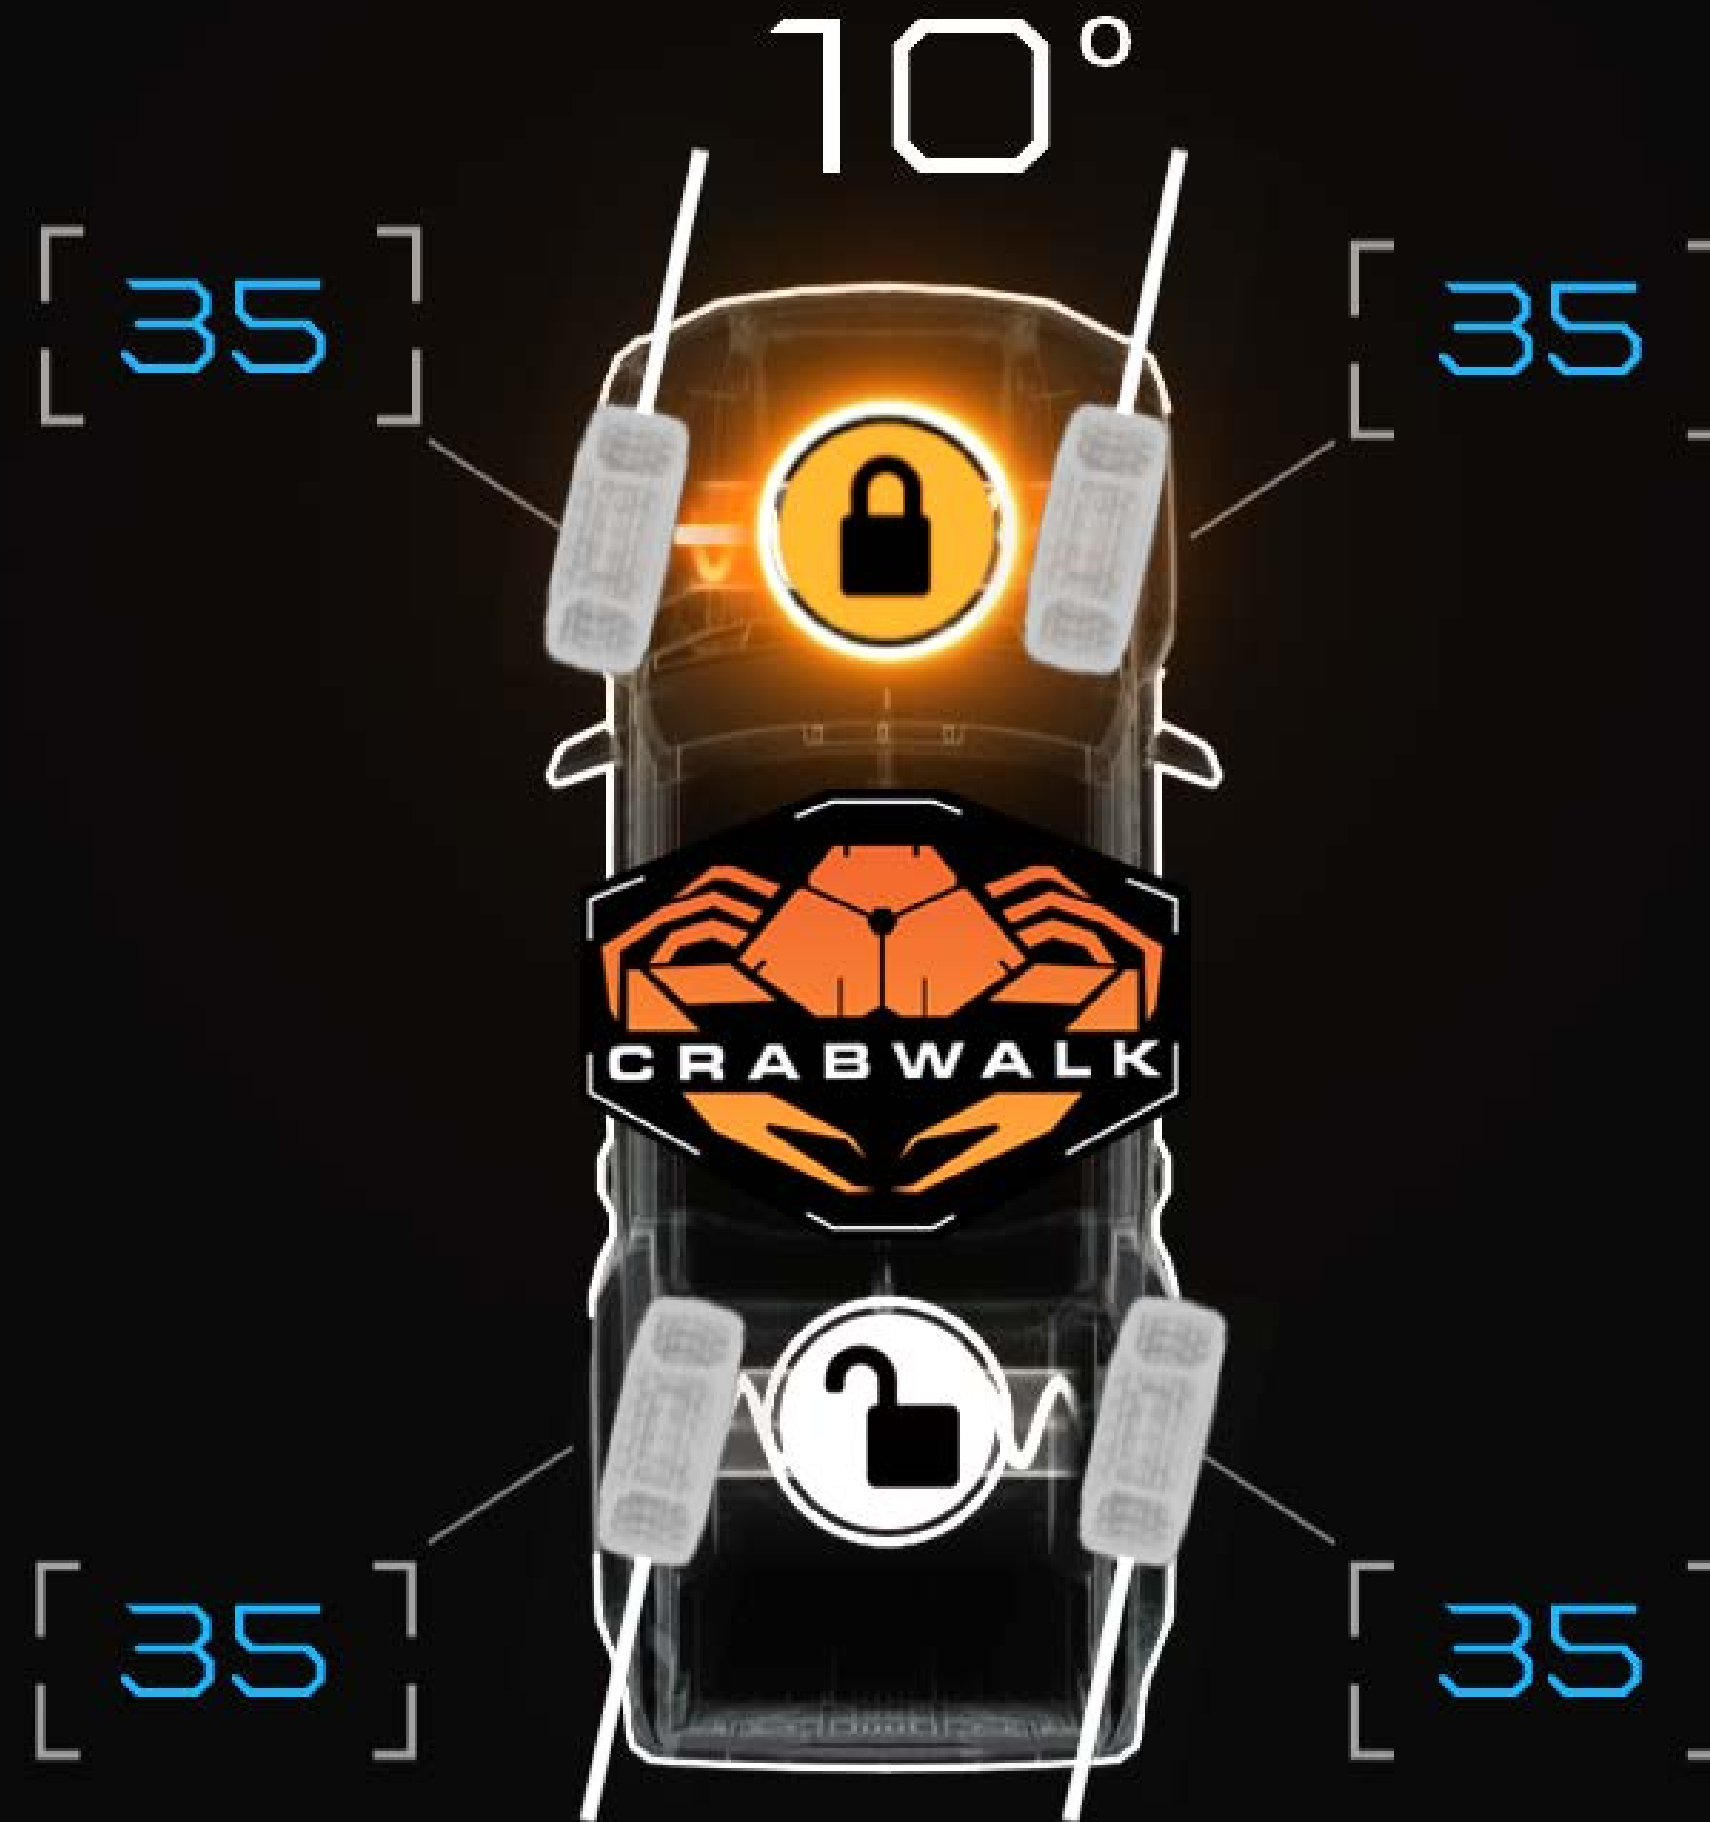

TURN HEADS WHILE TURNING ALL FOUR WHEELS

Available **4-Wheel Steer** helps reduce the turning circle and enables nimble maneuverability in close quarters, whether rock crawling or pulling into a parking spot. At higher speeds, it helps increase agility and stability.

SOMETIMES THE ONLY WAY FORWARD IS **DIAGONAL**

Available **4-Wheel Steer** also provides the maneuvering flexibility of **CrabWalk¹**—a revolutionary available setting that allows the rear wheels to turn in the same direction as the front, up to 10 degrees in either direction—to drive diagonally at low speeds.

OBSTACLES SUDDENLY SEEM OBSOLETE

The available **Air Ride Adaptive Suspension** automatically adjusts the ride height for various conditions. The adaptive ride control responds to on- and off-road inputs by adjusting damping levels to enhance ride and handling dynamics.

- **Entry/Exit:** Improves Vehicle Access
- **Aero Mode:** Reduces Drag, Extends Range
- **Terrain/Increased Mode:** Increases Ground Clearance
- **Extract Mode:**¹ This First-of-Its-Kind Mode Raises the Supertrucks Nearly 6" Above Normal Height for Improved Ground Clearance

RISE TO THE CHALLENGE

In a tough spot and need extra height? Initiate the available first-of-its-kind **Extract Mode**,¹ and the supertrucks will activate their available **Adaptive Air Ride Suspension** to rise nearly 6" above normal height to surmount obstacles—like traversing boulders or standing water.²

THE ROAD NEVER TRAVELED

The supertrucks earn their authentic off-road cred with components specifically engineered for dominating uncharted terrain.

- Generous Approach, Departure and Breakover Angles
- Extreme Off-Road Package Is Standard on Edition 1 Pickup, Available on EV^{2x} and EV^{3x} Pickup and SUV and Includes:
 - Front and Rear E-Lockers on EV^{2x}
 - Front E-Lockers and Rear Virtual Lockers on EV^{3x} and Edition 1
 - Heavy-Duty Ball-Spline Half Shafts
 - 18" Wheels With 35" Mud-Terrain Tires
 - Underbody Skid Plates, Rock Sliders, UltraVision Underbody Cameras¹ and More

A TRUE VISIONARY

Available **UltraVision¹** provides various camera views to help maneuver in almost any situation. Add the available Extreme Off-Road Package and get:

- Up to **18** available camera views for HUMMER EV Pickup
- Up to **17** available camera views for HUMMER EV SUV

ENLIGHTENING VIEWS INCLUDE:

- Surround View
- Transparent Trailer View
- Rear Camera Mirror
- Underbody Split Forward- and Rear-Facing

SIGHTS UNSEEN, UNTIL NOW

The underbody cameras in available UltraVision¹ are forward and rearward, providing real-time views to help navigate difficult terrain. Cameras are waterproof with replaceable lens protectors and with the press of a button can be cleaned with wiper fluid to help you see clearly.

Rear Side View

Surround View

Split Forward/Rearward Underbody

Forward Underbody

PROTECTION FOR WHEN THE GOING GETS TOUGH

Available **full underbody armor** uses sturdy steel plates and shields to help protect the drive unit and battery pack in extreme off-roading environments. It's included in the optional Extreme Off-Road Package.

WHERE THE RUBBER MEETS **THE ROUGH**

Towering ground clearance comes from specially engineered **35" Overall Diameter Goodyear® Wrangler Territory MT tires** on 18" wheels (included in the Extreme Off-Road Package) for optimal on- and off-road performance. Demand more? HUMMER EV Pickup and SUV are engineered to fit **tires up to 37" in overall diameter¹** without modifications. You can also calibrate the speedometer to account for the larger tire size.

WHAT ZERO LIMITS LOOKS LIKE

THE SKY ISN'T THE LIMIT; IT'S THE STARTING POINT

The **Infinity Roof's** modular **Transparent Sky Panels** are tinted to deflect the sun and help protect you from the elements while providing breathtaking panoramic views. Tinted Transparent Sky Panels are standard on Edition 1 Pickup and SUV and available on all other trims.

BRING THE WORLD IN

The **Infinity Roof** with modular **Sky Panels** on both HUMMER EV Pickup and SUV can be removed along with the front **I-Bar** to bring in your world. Lower the **Power Rear Drop Glass** for a fully immersive experience.

OPEN WIDER

The **Power Rear Drop Glass** on HUMMER EV Pickup and SUV responds with the press of a button, opening the cabin to fresh air and greater possibilities.

Dealer-installed accessories shown.

STORAGE FRONT AND CENTER

Open the power-operated hood and stow the modular **Sky Panels** or your gear in the **eTrunk™** with up to 11.3 cubic feet¹ of space. It includes a 12-volt power outlet, lighting and four cargo D-rings to secure the panels or other cargo.

NOT FAST. SUPERFAST.

Engage available **Watts to Freedom**¹ to unleash the supertrucks' astounding, size-defying acceleration:

- 0-60 mph in approximately 3.0 seconds² available on HUMMER EV Pickup
- 0-60 mph in approximately 3.5 seconds² available on HUMMER EV SUV

3 ... 2 ... 1 ... 60

In addition to thrilling propulsion, available **Watts to Freedom¹** surrounds you in an immersive multisensory experience.

- During Watts to Freedom, the Supertrucks Lower for Reduced Wind Resistance and Enhanced Center of Gravity
- Watts to Freedom Also Calibrates the Vehicle for Maximum Power, Along With Optimum Suspension, Steering and eAWD Settings
- In Addition, It Also Provides an Enhanced Sensory Experience With Sounds, Seat Vibrations and Visual Graphics

SCREEN ICONS PROMPT YOU EVERY STEP OF THE WAY LEADING TO THE MOMENT OF LAUNCH

INGENIOUS TECHNOLOGIES

LOOK, WORLD, NO HANDS

The latest version of available **Super Cruise¹** driver-assistance technology offers hands-free driving and automatic lane changing under certain conditions. It works on more than 400,000 miles of compatible U.S. and Canadian roads and growing.

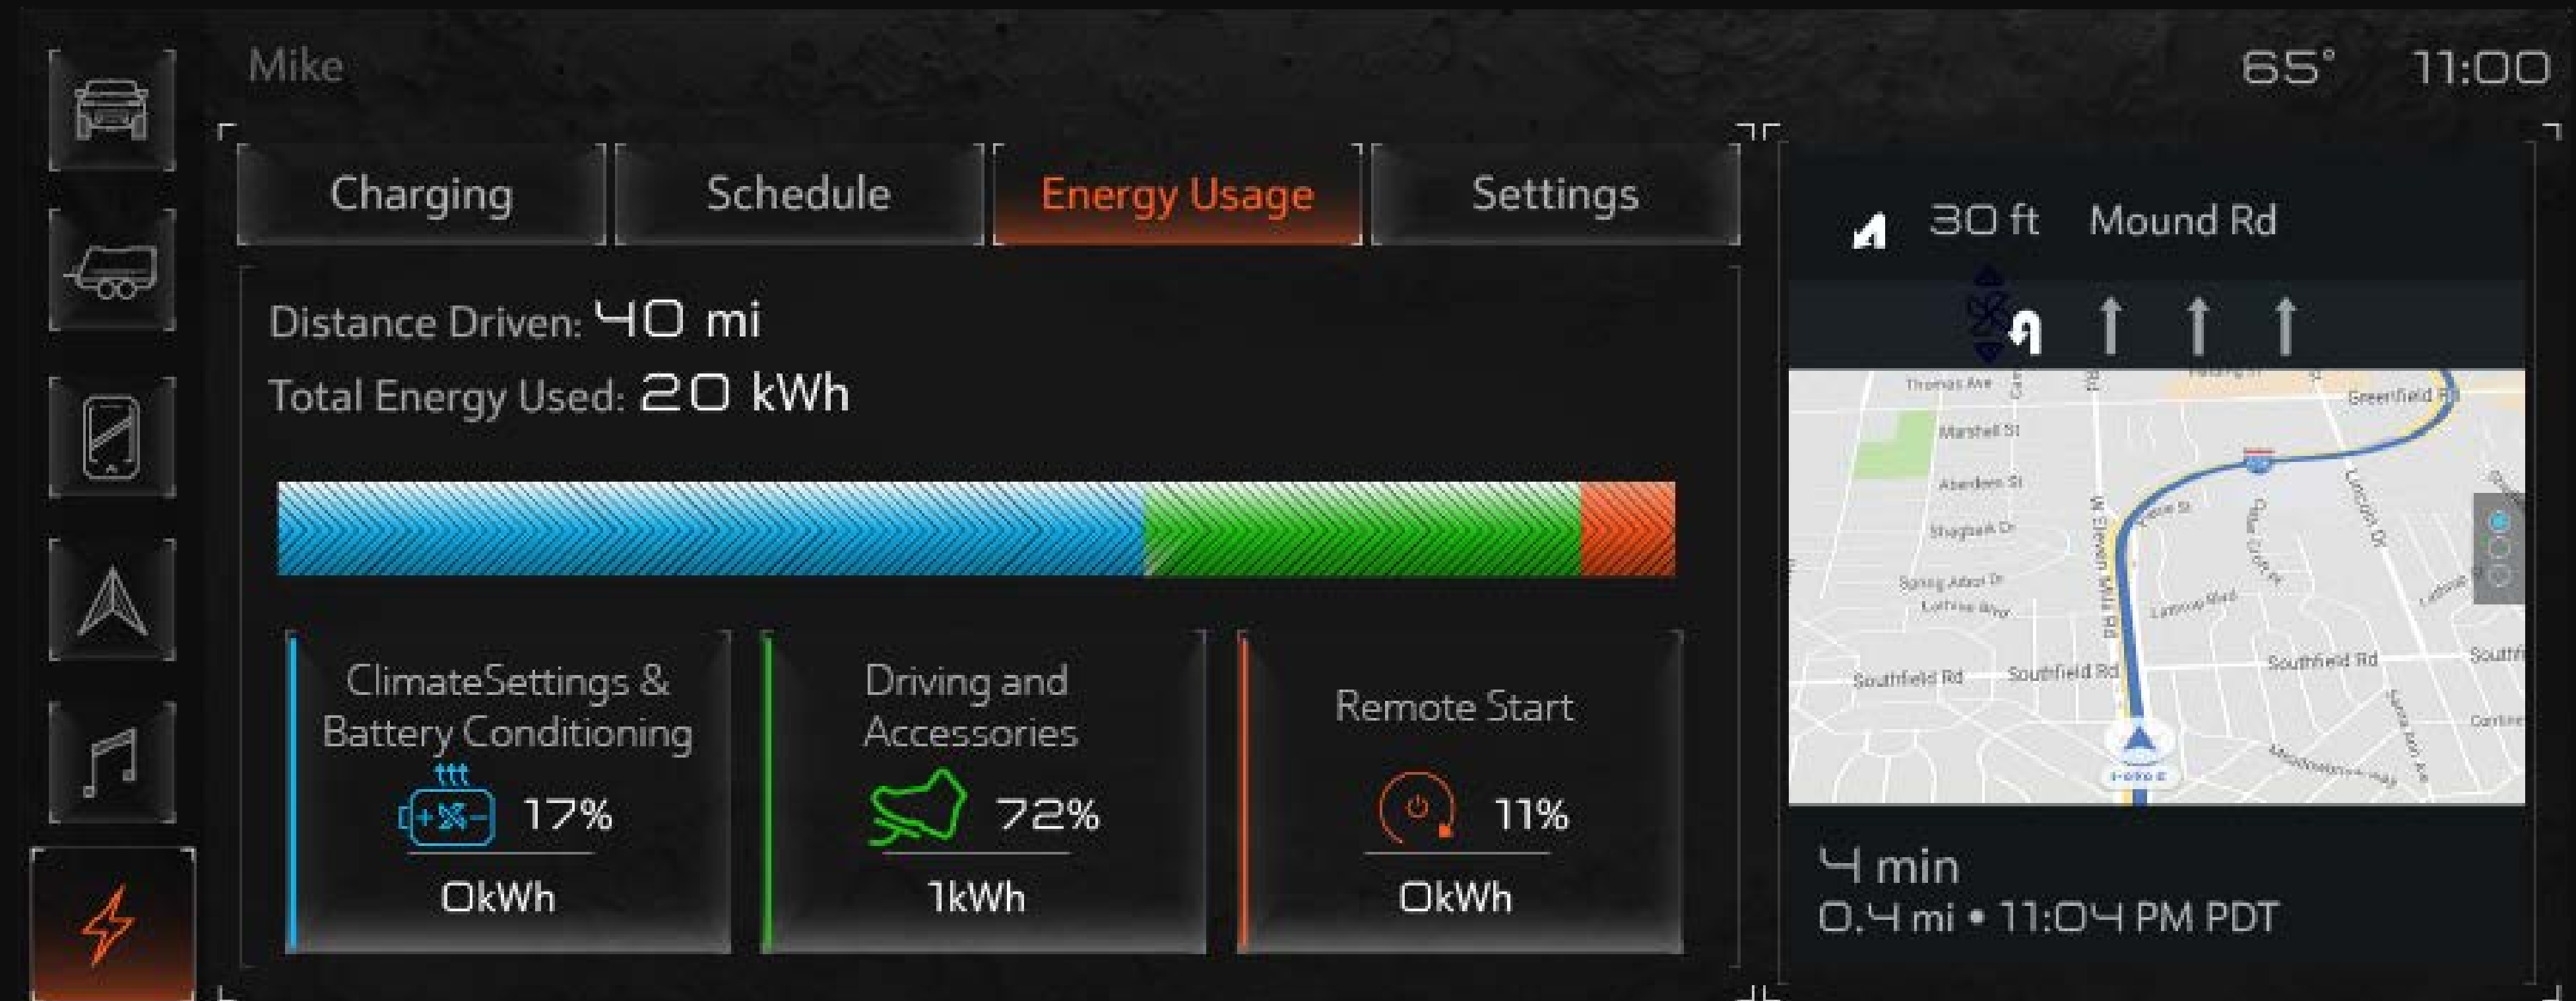

A 3-year **Super Cruise¹** subscription is included on all HUMMER EV Pickups and SUVs.

TAKE ADVENTURES FURTHER

To help keep you powered up for your on- and off-road adventures, the available **in-vehicle Energy App** puts you in charge of the best time and place to charge. It provides real-time charging status and energy usage, while allowing you to set up a convenient charging schedule and a lot more.

Actual charge times will vary based on battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details and limitations.

THE DRIVING EXPERIENCE REVOLUTIONIZED

Using software built with Epic Games' state-of-the-art gaming technology—**Unreal Engine**—even the way information is presented in the supertrucks is revolutionary. The resulting **driver interface** engages your senses with theatrical graphics, animations and instantaneous visualizations to provide useful vehicle information at a glance—helpful when all you can spare is a glance.

AN ELECTRIFYING ADVANCE

THE ULTIUM REVOLUTION

The HUMMER EV Pickup and SUV are powered by the revolutionary **Ultium Battery Platform**.

- Engineered for Range, Power, Fast Charging and a Long Life
- Battery Cells Are Arranged Vertically and Mounted to Optimize Weight Distribution
- The Ultium Battery Location Creates a Low Center of Gravity for Enhanced Handling

Simulated battery shown.

CHARGE FORWARD

- The HUMMER EV Pickup Offers up to a 24-Module Ultium Battery Pack (up to 20-Module on SUV) With up to a Three-Motor Ultium Drive System
- LEVEL 2 CHARGING: Up to Nearly 16 Miles in 1 Hour¹ for Edition 1 Pickup; Level 2 Is the Most Common Speed for Home Charging
- DC FAST CHARGING: 100 Miles in 12 Minutes² (up to 350 kW With a Compatible DC Fast Charger) for Edition 1 Pickup; DC Fast Charging Is the Fastest Charging Speed Available and Great for a Quick Charge or When You Need Extended Miles for Longer Drives

EFFICIENCY MAXIMIZED

The supertrucks use regenerative braking to convert the energy created from braking into electricity to recharge the battery energy and help maximize range.

- **One-Pedal Driving¹** Gives You the Confidence of Two-Pedal Driving, With the Convenience of Only Using One Pedal
- **Regen On Demand^{®2}** Allows Drivers to Recapture Energy and Extend the Supertrucks' Range Simply by Holding the Steering Wheel's Regen On Demand Paddle When Deceleration Is Needed

THE FUTURE TAKES SHAPE

DYNAMIC DUO

The signature lighting animation on the HUMMER EV Pickup and SUV welcomes your approach. Sculpted lines lead you rearward, where H-illuminated taillamps remind followers that the revolution just passed them by.

STATE-OF-THE-ART LIGHTING

The supertrucks come alive with expressive lighting and animation while they're charging, as well as when you walk to or away from them with the key fob in your hand.

MULTIPRO™ TAILGATE

Available accessories shown throughout this spread.

POWER SWING GATE

The **Power Swing Gate** opens and closes using the key fob or a rear exterior button for easy access on or off the trails. The **Power Rear Drop Glass** lowers to further enhance the open-air experience.

THE GREAT INDOORS

BRING THE OASIS WITH YOU

Like everything in the HUMMER EV Pickup and SUV, the cabins are designed to be revolutionary. So no matter how rugged the great outdoors gets, inside the supertrucks, you're clearly in command.

Preproduction model shown. Actual production models may vary.

LUNAR HORIZON INTERIOR

Intergalactic travel and otherworldly landscapes inspire the **Lunar Horizon**-themed interior in **Jet Black** and **Light Grey**, standard on HUMMER EV Edition 1 Pickup and available on HUMMER EV², EV^{2X} and EV^{3X} Pickup and SUV. The interior comes with **Tech Bronze** accents, durable all-weather flooring and more.

LUNAR SHADOW INTERIOR

In **Jet Black** and **Taupe**, the **Lunar Shadow** interior casts a dark appearance, complemented by **Tech Bronze** accents. Durable all-weather flooring adds visual and practical appeal. This interior is standard on Edition 1 SUV and available on HUMMER EV², EV^{2X} and EV^{3X} Pickup and SUV.

YOUR WORLD IN HIGH DEF

The high-def center-mounted **13.4"** diagonal color touch-screen and **12.3"** diagonal color **Driver Information Center** put customizable data, settings and controls within convenient reach and optimal line of sight.

READY FOR ADVENTURES AHEAD

Enjoy the experience of a seamlessly connected drive.
GMC Connected Services¹ elevates your ownership experience.

THE SUPERTRUCKS OFFER:

- GMC Connected Services¹
- myGMC Mobile App²
- Google built-in³ Compatibility
- Amazon Alexa Built-in⁴
- Wi-Fi® Hotspot⁵
- In-Vehicle Apps⁶ Such as Spotify^{®7}

JUST SAY THE WORD

When you're focused on scaling boulders, fording rivers¹ and other epic adventures, who has time to push buttons? GMC HUMMER EV with **Google built-in**² compatibility (3-year trial included³) provides you with a helpful, personalized and seamless way to enhance your in-vehicle experience. With Google Assistant, Google Maps and Google Play, you get access to hands-free help, some of your favorite apps, live traffic updates, the ability to locate nearby charging stations and Super Cruise⁴-compatible roads and more.

IN COMMAND

18" BEADLOCK- CAPABLE WHEELS

Dealer-installed 2023 model year 18" **Beadlock Accessory Wheels¹** are designed to prevent tires from de-beading when placed under tremendous torque loads and lower tire pressures during off-roading or rock-crawling.

These 18" x 9" single-beadlock wheels offer an aggressive, yet refined, appearance that speaks to the off-road capabilities of HUMMER EV Pickup and SUV. These wheels are compatible with all model years equipped with the Extreme Off-Road Package.

NOW IT'S PERSONAL

For the ultimate in personalization, HUMMER EV Pickup and SUV offer available accessories worthy of revolutionary supertrucks.

Preproduction 2024 model year SUV shown with multiple 2022, 2023 and 2024 model year accessories.

SKY PANEL STORAGE SET FOR eTRUNK

Easily stack and store your four modular **Sky Panels** in your eTrunk with this **Sky Panel Storage Set**.

FRONT OFF-ROAD AUXILIARY LIGHTS

The **Front Off-Road Auxiliary Lights** offer increased visibility on the trails. They attach to the exterior front pillars, have integrated mounts and wiring for seamless installation and are adjustable for additional illumination surrounding the supertrucks. The mounting equipment is also compatible with small adventure cameras.

D-RING RECOVERY HOOKS

The **Tech Bronze** or **red** front and rear articulating **D-Ring Recovery Hooks**¹ replace the standard black hooks and allow you to coordinate with the supertrucks' wheels, decals and nameplates.

The heavy-duty **D-rings** are frame-mounted and designed to take the rigors of off-roading, overlanding and on-road use. Each one has a load capacity of up to 15,000 lbs.²

ALTERNATE-FINISH BADGES

The **Alternate-Finish Badges** offer a visual testament to the supertrucks' rugged spirit with an etched surface to match the vehicles' accents. The badges replace the standard

silver badging and will also fill in the lettering on the HUMMER EV Pickup's tailgate for a bolder, 3D look. They're available in **black**, **red** and **Tech Bronze**.

ROCKER PROTECTORS WITH ASSIST STEPS

Step up capability and convenience with these distinctive and highly durable **Rocker Protectors with Assist Steps**, included in the **Extreme Off-Road Package**.

- Helps Protect While Off-Roading
- Powder-Coated With a Rugged Texture
- Provides a Step up Into or out of the Cabin and Supports up to 300 lbs

THE IMPOSSIBLE IS SUDDENLY POSSIBLE

IMPORTANT WORDS AND LEGAL DISCLOSURES

NEW VEHICLE LIMITED WARRANTY¹

GMC will warrant each 2022 HUMMER EV with: a 3-year/36,000-mile² Bumper-to-Bumper Limited Warranty, 6 years/100,000 miles² of Rust-Through Protection, 8 years/100,000 miles² of Roadside Assistance³ and 8 years/100,000 miles² of Electric Vehicle Warranty Coverage and Courtesy Transportation.

ONSTAR AND GMC CONNECTED SERVICES

Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. See onstar.com for details and limitations.

GMC CERTIFIED SERVICE

To help your HUMMER EV live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in the HUMMER EV supertrucks, GM-trained technicians have the expertise to help care for them.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner’s Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to gmc.com and carefully review the vehicle Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

GMC.COM See more of the HUMMER EV supertrucks on our website: gmc.com/hummer. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide; spec out your own vehicle. Or call 1-800-GMC-8782.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of publication, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Pickup segment and latest available competitive information available at time of publication. Excludes other GM vehicles.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.
